ASSOCIATION OF PRINCETON GRADUATE ALUMNI

May 2002

Dear Princetonian:

## WELCOME BACK!

**T**here's no better way to celebrate being a Princetonian than returning for Reunions. Your Alumni Association and its many volunteers have once again created a memorable weekend, as you will see from the program contained in this booklet. We hope that your visit with friends and classmates this year will be truly special.

As President of the Alumni Association, I have the pleasure of serving during an extraordinary time in Princeton's long history. Our 19th President, Shirley M. Tilghman, is completing her first year in office. She has had the opportunity to meet with many of you, both at Princeton and in your own regions, and has spoken openly and earnestly about her goals and dreams for Princeton. I hope that over the course of this weekend you will get a chance to see just how Princeton continues to flourish on all fronts under her leadership.

I encourage you to sample the intellectual fare of the many fine forums sponsored by the Alumni Council and the major reunion classes, and to enjoy Princeton's visual and performing artists. I also commend the returning classes for the many community service projects that they are sponsoring.

For those thinking of a career change, the Class of 1977 is hosting a half-day careers colloquium on Thursday. And, of course, on Saturday afternoon there's the one and only P-rade, followed in the evening by a concert and fireworks on Finney and Campbell Fields near the Princeton Stadium.

As we celebrate the 175th Anniversary of the Alumni Association of Princeton University, I welcome you back to Princeton and salute the volunteers and leaders who have worked so diligently to bring this Reunions together for all of us.

## HAVE A WONDERFUL WEEKEND!

Diane deCordova '83

President of the Alumni Association of Princeton University

The University and Borough Prohibits:

## Computing Resources

### Networking Available Wednesday Noon through Sunday Noon

The campus Ethernet network will be available for your use during Reunions weekend. To be able to have your computer function on the campus network, you will need an Ethernet card that works in your computer and an Ethernet cable. The network will be open for your use Wednesday Noon through Sunday Noon.

### Wireless Networking

Several areas of the campus also offer wireless networking. These areas include central campus, from Firestone Plaza to Alexander Beach, the café in Frist, the grassy lawn outside the Frist eating area, several rooms in Firestone Library, and parts of the Friend Center. To access the wireless network, simply configure your computer's wireless connection to "Use DHCP," set the "network name" to "puwireless" and restart while in one of the areas listed above. Note: A limited number of wireless cards are available for checkout at the Frist Welcome Desk.

### Connecting to the Network

All dorm rooms have active network jacks. Each room has one active network jack per pillow. You will need an Ethernet cable to connect your computer to the network. Simply plug in, configure it to "Use DHCP" (see below) and restart your computer; you should then be able to gain access to the Internet. Please note that if your company uses a private Intranet network, you may not have access to it.

### Configuring Your Computer

Once you reach campus simply configure your computer's network settings to "Use DHCP" to obtain an IP address. Both PCs (Windows 9/98/2000/XP) and Macintoshes (OS 7.5 or above) can be configured to use DHCP.

Bus schedules are located in hotel lobbies on the routes above, and at all Reunion Headquarters.

### **Hotel-to-Campus Bus Program (continued)**

The orange circles on the Reunions 2002 Headquarters Map indicate the bus stops around campus. The stops are located on Elm Drive at Baker Rink and the Boiler House; University Place between the WAWA and the Dinky; University Place and College Road at Spelman Hall; and the Graduate College at the Tower Parking Lot. Bus schedules are posted at all major reunion headquarters sites and the Frist Campus Center Welcome Desk.

### **Medical Services**

We are fortunate to enjoy a large attendance at Reunions, and medical emergencies both large and small can be expected. If you or a companion need assistance for a bee sting, cardiac symptoms or anything in between, medical help is available. Please check at your major reunion headquarters site. For the Lawn Concert and Fireworks at Finney and Campbell Fields, emergency aid workers are stationed at the following locations: North plaza of the Princeton Stadium (Western Way) and FitzRandolph Road gate (east side of field). In addition, two mobile teams will be circulating. If you experience any discomfort during or after the presentations, workers are ready to assist you. We wish you a safe and enjoyable concert, fireworks and Reunions weekend.

### **Orange Key Tours**

Thursday and Friday	10:00 a.m., 11:00 a.m., 1:30 p.m. and 3:30 p.m.

### **Parking**

All entrances to the University will be closed to vehicles during Reunions. To access our campus shuttle, park cars in Lot #7, #16 and #23 on the lower end of campus. Overflow will be in Lot #21, next to Jadwin Gym.

## **P-rade!**

Of course, everyone will want to be at the one and only P-rade. It begins at 2:00 p.m. on Saturday. Alumni, spouses and their children are welcome to march.

Be sure to check the P-rade map in your *Princeton Alumni Weekly* issue, or on posters at your Reunions Headquarters and around campus for the route and staging area for your class. This year's route had to be modified slightly to accommodate campus construction. At the end of the route, please help keep the P-rade moving! Don't stop to chat—but proceed to your next terrific reunion activity and pick up some water on your way! Free water will be available at designated locations—look for signs to direct you.

Here are some additional suggestions that could help your major reunion win this year's Class of 1945 P-rade Trophy:

- Get to your staging area by 1:45 p.m.
- Wear your reunion costume.
- Keep up with your class! Follow the banner as a tightly formed group.
- Carry very young children or use a stroller.
- March or walk past the Reviewing Stand while cheering (keep walking even when you give your locomotive).

## **Public Safety**

The Public Safety Office is located in the basement of Stanhope Hall, 609-258-3134. EMERGENCY CALLS should be made to 911.

## **Restaurants**

In addition to the meals provided by the major reunions, the **Frist Campus Center** is open Thursday: 7:00 a.m. to 3:00 a.m.; Friday: 7:00 a.m. to 3:00 a.m.; Saturday: 7:00 a.m. to 3:00 a.m. and Sunday: 7:00 a.m. to 3:00 a.m.

**Tiger Refreshments Trailer** will be open Friday and Saturday nights.

Hamburgers, hotdogs, beverages (including coffee), and snacks will be provided from our trailer located at the southwest corner of Dillon Gym. Hours are Friday night, 10:00 p.m.-2:00 a.m., and Saturday night, 10:00 p.m.-2:00 a.m.

**During the P-rade, Tiger Refreshments** will be available throughout the campus. Assorted chilled beverages, including bottled water, will be offered along Elm Drive between Murray-Dodge and McCosh, and between Clio and Whig Halls.
