

May 1999

Dear Princetonian:

Welcome back! I can't think of any better way to celebrate being a Princetonian than returning for Reunions. As you can see from the program contained in this booklet, your Reunion Chairs and the Alumni Council continue to do a great job in creating memorable weekends year after year. We hope that your visits with friends and classmates this year will be truly special.

It is a particular honor for me to serve as your ceremonial host at a time when the University is flourishing. It has been a remarkable year for Princeton on all fronts — thanks to your continued support. Hopefully, over the course of this weekend, you will get a chance to see just how Princeton continues to get better at what it does.

I encourage you to sample the intellectual fare of many fine forums sponsored by the Alumni Council and major reunion classes, and to enjoy Princeton's visual and performing artists. And, of course, there's the one and only P-rade followed by the newest Princeton tradition, a concert and fireworks at Poe-Pardee Fields on Saturday night.

Welcome back and have a wonderful weekend!

Brent L. Henry '69
Chair of the Alumni Council
